

ENTERGY MISSISSIPPI, LLC

Date Filed: November 20, 2018
Date to be Effective: December 1, 2018
Docket No.: 2018-UA-39

MISSISSIPPI PUBLIC SERVICE COMMISSION

P.S.C. Schedule No. I-10.2
Revised Schedule No. 10.2, Date: December 1, 2018
Superseded Schedule No. 10.2, Date: January 30, 2015
Schedule Consists of: Two Pages

**EXPERIMENTAL GENERAL LIGHTING AND POWER SERVICE
RATE SCHEDULE GS-298X**

I. AVAILABILITY

At any point on Company's existing secondary distribution lines of adequate capacity and suitable voltage.

II. APPLICATION

To all electric service for the customer's equipment used in pumping and aeration of catfish ponds and/or used in farm irrigation pumping, where the customer has volunteered and been accepted by the Company to participate in the test project in which this rate shall be applied. (See the section below entitled "Test Period and Contract Periods.") Such service will be supplied at one point of delivery and measured through one kilowatt-hour meter.

Not applicable for resale or shared service.

III. CHARACTER OF SERVICE

The service to be supplied will be 60 cycles at one nominal voltage as described in Company's Standards for Electrical Installations. Customers with individual motors with ratings of less than 5 horsepower and who have less than an aggregate motor rating of 10 horsepower will normally be provided with single-phase service.

IV. NET MONTHLY RATE**A. RATE**

\$34.88	Customer Charge, plus:
\$ 0.188964	per kWh for all kWh used 10:00 AM to 8:00 PM on weekdays during the calendar months of May through October, except the Fourth of July and Labor Day
\$ 0.086559	per kWh for all kWh used in all other hours during the year

B. MINIMUM BILL

\$34.88, subject to Adjustments as specified below.

C. FACILITIES CHARGE

In addition to the amount otherwise computed under the provisions of the Net Monthly Rate included herein, the amount of any Facilities Charge applicable to such service, will be paid monthly. Such Facilities Charge shall be based upon the additional investment necessary to cover the cost of rendering said service.

D. ADJUSTMENTS

First - Plus or minus an amount determined in accordance with Company's effective Energy Cost Recovery Rider on file with Mississippi Public Service Commission.

Second - Plus or minus a percentage adjustment on the pre-tax billing sufficient to compensate Company for any increase in income taxes above the 1993 level or to reduce Customer's billing to adjust for any decrease in any effective income tax rates.

Upon any change in the effective rates of income taxes the Company will file within 30 days the percentage adjustment to be applied for the remainder of the year based on operations for the prior calendar year. Subsequently the percentage adjustment to be applied during a year will be filed with the Commission prior to February 1 of each year and will be based on the prior calendar year's operations. The adjustment will be such percentage as may be necessary to obtain the same after-tax income under the effective tax rates as would have been realized under the income tax in effect for the year 1993 but without this income tax adjustment.

Third - Plus the applicable proportionate part of any directly allocable tax, impost, or assessment imposed, or levied by an governmental authority, which is assessed or levied against the Company or directly affects the Company's cost of operation and which the Company is legally obligated to pay on the basis of meters, customers, or rates of, or revenue from electric power and energy or service sold, or on the volume of the energy generated, transported, purchased for sale, or sold, or on any other basis where direct allocation is possible.

V. TEST PERIOD AND CONTRACT PERIODS

The test period for this Rate Schedule shall not terminate before December 31, 1989. The Contract Period for customers contracting for service under this Rate Schedule shall be for a minimum of one year (twelve billing periods) or until the termination of this Rate Schedule (not before January 1, 1990), whichever is earlier.

VI. RESERVATION

Subject to the order of regulatory authorities having jurisdiction and to the provisions of Company's Service Policy on file with the Mississippi Public Service Commission.
